Attorney's Docket No.: 08291-0747US1 / 11344P5 US

REMARKS

The foregoing amendment narrows the scope of the claims so that the active ingredients in the claimed compositions are limited to fipronil as the insecticide and brodifacoum and difethialone as the rodenticides; the composition also requires at least one feeding stimulant.

It is submitted that, with these limitations, the remaining claims would not have been obvious over the prior art previously cited by the Examiner.

Please apply any necessary charges or credits to Deposit Account 06-1050, referencing the above attorney docket number.

Respectfully submitted,

Date: 30 January 2012
